

Rent the K900

Autonomous sweeping for your facility at one flat monthly rate.
No upfront investment, service included.

\$980

PER MONTH

Per robot

12-month minimum term

Rental starts at commissioning

INCLUDED IN THE MONTHLY RATE

- ◆ KEMARO K900 Smart robot
- ◆ Charging station
- ◆ KEMARO Sphere web app & cloud
- ◆ KEMARO Knowledge Hub
- ◆ Remote software updates
- ◆ Technical support
- ◆ One preventive maintenance visit per year
- ◆ Repairs covered, except misuse and wear parts

COMMISSIONING & ONBOARDING

Site mapping, setup and operator training by your KEMARO dealer.

Quoted by your dealer as a one-time fee, billed separately from the monthly rate.

WHY RENT

- ◆ **No capital expense:** an operating cost instead of an investment.
- ◆ **Proven savings:** up to 50% lower cleaning costs per year.

NOT INCLUDED

- ◆ Shipping, both ways
- ◆ Wear parts (brushes, filters etc.)
- ◆ Spare parts, unless the repair is covered

- ◆ **Predictable budget:** one monthly rate, service included.
- ◆ **Local service:** installed and supported by your KEMARO dealer.

HOW THE RENTAL WORKS

1

On-site demo

A demo in your building, plus a look at your square footage, shifts and current cleaning costs.

2

Commissioning

Your dealer maps the site, sets the cleaning schedule and trains your team.

3

Cleaning starts

You pay one flat monthly rate. Service, updates, support and the yearly maintenance visit are included.

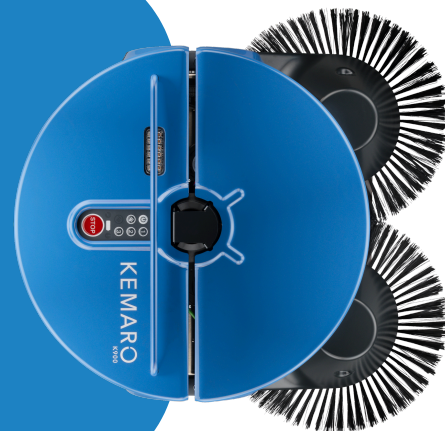

4

After 12 months

Extend the rental or return the robot, on terms agreed with your dealer.

RENTAL TERMS

- ◆ **Term:** 12-month minimum. The rental period starts on the commissioning date.
- ◆ **Contract:** The rental agreement is entered into directly between you and your KEMARO dealer, who owns the unit. Available within the dealer's service area.
- ◆ **Unit:** New or professionally refurbished K900 Smart.
- ◆ **Liability:** In case of misuse or intentional damage, the renter is fully liable for repair or replacement of the device. If the robot is lost or destroyed, e.g. through theft or accident, the renter covers its replacement or provides an equivalent unit.
- ◆ **Insurance:** Insurance against damage such as fire, water or theft is the renter's responsibility.

PERFORMANCE

Up to 10,800 sq ft/h with a compact 35 in cleaning width.

SIMPLICITY

No floor tape, beacons or layout changes. Once mapped, just clean.

ROBUSTNESS

Swiss-made, solid construction with high-quality components.

SUSTAINABILITY

No water, chemicals or lighting needed.

BUILT FOR

Warehouses

Distribution centers

Manufacturing plants

Production floors

Rail depots

The rental rate shown is a recommended rental price by KEMARO INC. Each dealer is free to set its own rental price. Rental rates are per unit, exclusive of applicable taxes, and are provided for budgeting purposes. They do not constitute a binding offer. The rental agreement is entered into exclusively between the authorized KEMARO dealer and the end customer; KEMARO INC is not a party to the rental agreement. The dealer is commercially responsible for the rental, and final terms are subject to the dealer's credit approval, equipment availability and a written rental agreement. Commissioning is quoted by the dealer and applies within the dealer's service area. Savings of up to 50% of cleaning costs are KEMARO's published estimate for comparable industrial and logistics sites; actual savings depend on the site. Technical data per the KEMARO K900 factsheet, subject to change by the manufacturer. Valid until 12/31/2026.
